Prsentation de l'diteurPractical and reliable, this reference traces English words back to their Indo-European roots. Each entry features a brief definition, identifies the language of origin, and employs a few illustrative quotations. An extensive appendix includes lists of prefixes, suffixes, Indo-European roots, homonyms and doublets, and the distribution of English-language sources.Prsentation de l'diteurPractical and reliable, this reference traces English words back to their Indo-European roots.
