## Description :

Prsentation de l'diteurDo you teach English to students or adults who are preparing to work in the business world?Do you find yourself constantly looking for new material to use in class? Are you a busy individual with a lot on your plate? If you answered yes to any of these questions, this book is for you. With twelve complete lessons based on a variety of pertinent business topics, this book will provide you with the material you need to teach an interesting and lively class, as well as the resources a business person needs to survive

in the business world! Moreover, in this version, 4 bonuses are offered : - BONUS 1 : The (only) 50 irregular verbs you should know in the real business life. Forget the ones that are totally useless... - BONUS 2 : The audio recordings of the lessons (available on a private page on our website) so that you have no doubt about the pronunciation of every word) - BONUS 3 : The TOP20 idiomatic English expressions. Easy but powerful, they will make you feel more comfortable in real life discussions - BONUS 4 : The last (and best) bonus is... well it's a secret bonus you'll discover in the book ! You want to improve your Business English ? This book is made for you. "Good method. I use it with my students. Its cheaper than the other books for an equivalent quality" Maria, Italy. "Very attractive book. Subjects are varied and make the students curious." Christophe, France. "As an executive, I learnt many many things. You can actually read it like a novel ! A few minutes every day make a difference." Peter, Germany.

Présentation de l'auteur Do you teach English to students or adults who are preparing to work in the business world? Do you find yourself constantly looking for new material to use in class?
