Description :

Prsentation de l'diteurJames Joyce was an Irish author and poet and is considered one of the most famous writers of the 20th century. Joyces best known works are Ulysses and Finnegans Wake. This version of Finnegans Wake includes a table of contents.Critique'Listening to Jim Norton and Marcella Riordan is a lot easier than trying to read the book.' --The GuardianIt's estimated that a complete recording of this eccentric masterpiece would run to about 20 CDs, but Naxos has made an attractive abridgement in four, recorded with wit and clarity by Jim Norton and Marcella Riordan. I've never met anyone who has actually managed to read every page of this extraordinary book...and there can be little doubt that Joyce intended his work to be listened to as much as read. This brilliant recording is the perfect short cut for slackers, poseurs and insomniacs. --Robert McCrum, The ObserverRevue de presse'Listening to Jim Norton and Marcella Riordan
