Description : Description du produitIt should interest you very much," he said. "The effect of Bromocine," he went on, speaking with the quiet precision of one who was lecturing on the subject to an interested audience, "is peculiar. It reduces the subject to a condition of extreme lassitude, so that really nothing matters or seems to matter. Whilst perfectly conscious the subject goes obediently to his death, behaves normally and does just what he is told--in fact, it destroys the will.

writer, playwright and novelist. He is best remembered as the author of *King Kong* (1932). Intensely popular in his own day, he sold as many as five million copies. A prolific author, he wrote a number of plays, novels, and innumerable articles for the newspapers and journals. Wallace also served in the Royal West Regiment and medical corps. He also fought in the Boer war and recorded his experiences and observations.
