## Description :

Prsentation de l'diteurWhen did you last read yours?For over 80 years The Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable

road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code for life, not just for learners. Présentation de l'auteur When did you last read yours? For over 80 years The

Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code for life, not just for learners. Biographie de l'auteur The Driving

Standards Agency (DSA) is an executive agency of the Department for Transport. Information on road casualties is available on the Department for Transport website [www.dft.gov.uk](http://www.dft.gov.uk). The DSA aims to promote road safety through improving driving standards, testing drivers and riders fairly and efficiently, maintaining the registers of Approved Driving Instructors and Large Goods Vehicle Instructors and Post Test Motorcycle Trainers as well as supervising basic training for learner motorcyclists.
